POLICY

The County of Los Angeles has experienced situations involving vendors who are in the process of submitting proposals or bids in response to County solicitations, negotiating County contracts, or under contract with the County, and are acquired by or merge with another firm. Given the potential issues the County may face as a result of such acquisitions or mergers, the following guidelines for evaluating such vendors and contractors, and standard language for inclusion in all County solicitation documents and contracts are established:

GUIDELINES FOR EVALUATING ASSIGNMENTS RESULTING FROM MERGERS

OR ACQUISITIONS INVOLVING COUNTY BIDDERS/PROPOSERS AND CONTRACTORS

Standard terms and conditions for County solicitation documents and agreements require bidders/proposers and contractors to notify the County of planned mergers, acquisitions or other corporate actions that could result in the assignment of a proposal under an active solicitation or an established [contract agreement](#).

Upon a County department's receipt of notice of the proposed assignment resulting from a merger or acquisition, the department must conduct a thorough review of the impact of the merger or acquisition. This review should include, at minimum:

1. Investigation as to whether either vendor/entity is on the County's List of Debarred Contractors, [the Federal list of excluded contractors for contracts with Federal funding, and the State's list of debarred contractors. \(http://purchasingcontracts.co.la.ca.us/resources.htm\)](#)
2. [Investigation as to whether either vendor/entity has been placed in the County's Contractor Alert Reporting Database \(CARD\).](#)
- 2.3. Identification of the name of the proposed or surviving entity following the merger or acquisition.
- 3.4. Identification of the business/legal structure of the surviving entity and the officer(s) authorized to bind the entity contractually.
- 4.5. Identification of the surviving entity's state of incorporation or organization and home office location. [A thorough assessment of the surviving entity's corporate documentation.](#)
- 5.6. A thorough assessment of the surviving entity's financial stability. Obtain a copy of the entity's most recent balance sheet, financial statement and/or annual report and any other financial information that reflects the entity's current financial status.
- 6.7. Consideration of the current DUNN & BRADSTREET rating of the surviving entity, if available.
- 7.8. Examination of the surviving entity's business plan related to the service or product for which the County has contracted or is planning to acquire. Determine if the product/service will continue to be supported and for how long it will be supported.

| 8-9. Investigation of whether there is a comparable product/service being offered by the surviving entity in consideration for replacing the product/service currently in use.

| 9-10. The surviving entity's written commitment of its willingness to accept all~~meet~~ the ~~full range of~~ terms and conditions stipulated in County's solicitation document, purchase order, or contract agreement, as the case may be.

| 10-11. Consideration of any other factors that negatively reflect on an entity, which would lead to the conclusion that it would not be in the best interests of the County to enter into or continue the contractual relationship.

STANDARD LANGUAGE TO BE INCLUDED IN COUNTY CONTRACTS

The following policy language shall be incorporated in substantially similar form into all County contracts:

| "ASSIGNMENT BY CONTRACTOR AND DELEGATION"

| A. The Contractor shall not assign its rights or delegate its duties under ~~the Agreement~~this Contract, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this sub-paragraph, County consent shall require a written amendment to the ~~Agreement~~Contract, which is formally approved and executed by the parties. Any payments by the County to any approved delegate or assignee on any claim under ~~the Agreement~~this Contract shall be deductible, at County's sole discretion, against the claims, which the Contractor may have against the County.

| B. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the ~~Agreement~~Contract, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this ~~Agreement~~Contract.

| C. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other

than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Agreement-Contract which may result in the termination of ~~the Agreement~~this Contract. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

STANDARD LANGUAGE TO BE INCLUDED IN COUNTY SOLICITATION DOCUMENTS

The following policy language shall be incorporated in substantially similar form into all County solicitation documents:

"NOTIFICATION TO COUNTY OF PENDING ACQUISITIONS/MERGERS BY PROPOSING/BIDDING COMPANY"

The ~~vendor~~Proposer/Bidder shall notify the County of any pending acquisitions/mergers of their company. This information shall be provided by the ~~Vendor~~Proposer/Bidder on *Required Form – Exhibit ____ - Proposer's Organization Questionnaire/Affidavit*. Failure of the ~~vendor~~Proposer/Bidder to provide this information may eliminate its proposals/bid from any further consideration.
